

THE ROBERT HICKS SCHOOL LIBRARY PROJECT

**THE CHILD WHO READS
WILL BECOME
THE ADULT
WHO THINKS.**

We want to bring the library back!

We need to bring the library back!

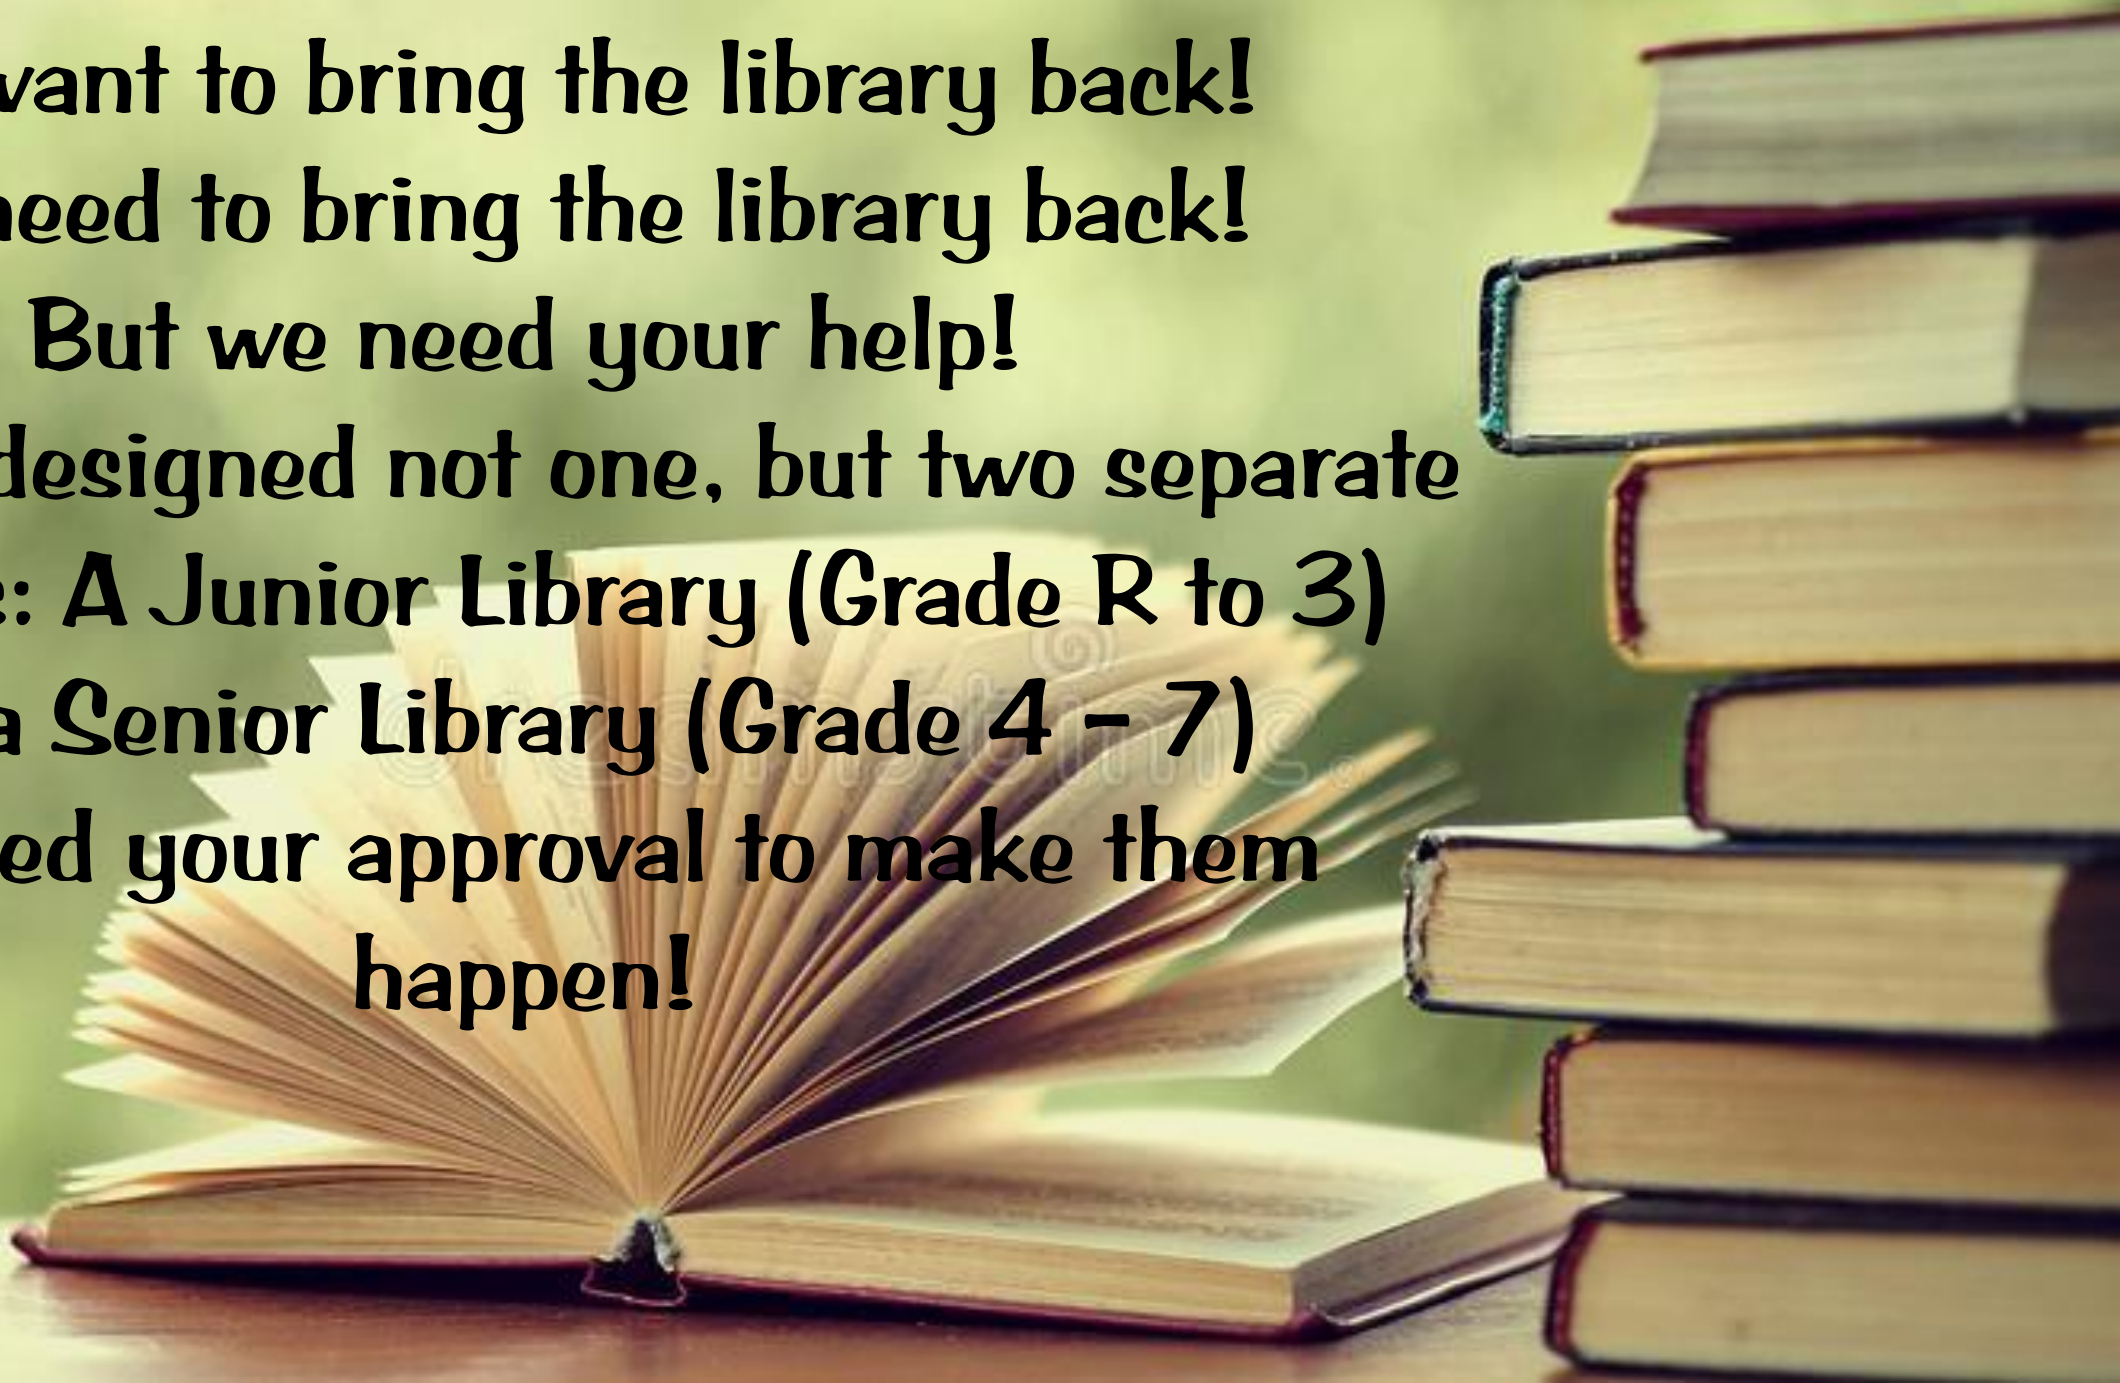

But we need your help!

We have designed not one, but two separate

libraries: A Junior Library (Grade R to 3)

and a Senior Library (Grade 4 - 7)

**We need your approval to make them
happen!**

 **ONE OF A KIND:**

These are not going to be just any library; they will be one of a kind! They will look so magical that your child will want to be in there. No other school in South Africa will have libraries with this look and feel! Each will have its own theme.

 **COMFORT:**

They both will have air conditioning, audio-visual equipment, good quality lighting, soft grass and cushions and soft padded seats for seating.

 **WELL STOCKED:**

We will acquire in excess of 500 new books!

 **EASY TO USE:**

We are moving away of the old library system. Instead we are arranging the books similar to bookstores like Exclusive Books - according to themes.

 **FUN:**

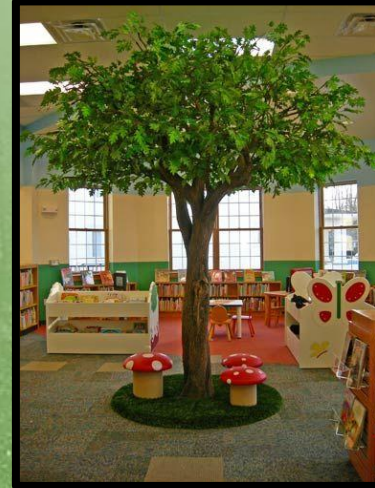

There will be lots of themes, competitions, scavenger hunts, a puppet theatre and other activities.

 **QUALITY:**

Both libraries will be custom fitted with rubber wood book shelves. All materials used will be top quality so that the libraries will outlast us all.

THE SENIOR LIBRARY

Senior Library: R463 235,58

What will it cost you?

Nothing! The school has funds in the investment account to cover the entire project. Financially you will not be impacted directly or indirectly at all, neither now nor in the future.

We need 244 responses with a 51% approval rate to proceed with the project so that your child can benefit

Please complete the return slip for the letter "The Robert Hicks School Library Project" dated 12 April to be part of making this happen for your child. Unfortunately only parents and legal guardians will be taken into consideration, but both parents may complete the return slip.
